portability

tablet/laptop

sling backpack

With great organization and portability features, the Klip Xtreme® Sling Backpack is designed to comfortably carry your laptop, along with our iPad, tablet or ebook reader. It features a spacious main compartment with a zippered expansion gusset that can be opened for added capacity, or closed for a streamlined look without the bulk. Rugged, functional and versatile, there is no other backpack better-suited than the KNB-340 for the mobile executive, students and urban nomads alike.

Features:

- **Protection:** Lined and padded main compartment, with interior dividers and strap, suitable for tablets up to 10 inches, and laptops with screens of up to 15.6 inches.
- **Organization:** Features a spacious main compartment with a zippered expansion gusset, a zippered pocket underneath the front flap, plus two side mesh pockets for easy access to frequently used items.
- **Convenience:** Sturdy and lightweight construction, perfect for hauling your gear easily on your back.
- **Comfort:** Integrated handle, plus an ergonomic padded shoulder strap.
- **Material:** Water-repellent nylon and 210 denier polyester fabric.
- **Color:** Black with grey accents.
